The amendment and declaration received 7 December 2005 have been made of record. Claims 1-16 are pending.

The objections to the abstract and claims contained in the previous office action are withdrawn in view of applicants' amendments.

The rejection under 35 USC 112 contained in the previous office action is withdrawn in view of applicants' amendments.

The rejection under 35 USC 102 is withdrawn in view of applicants' arguments.

Claim 16 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 16 recites a coating which is obtainable from the composition of claim 1. The use of the term "obtainable" renders the claim indefinite. Appropriate correction is required.

Claims 1-15 are allowed.
